## Crisis Marketing When Bad Things

**reputation management: a case study of abercrombie & fitch** - this case study compared the reputation management plans of the clothing company abercrombie & fitch against a known reputation framework created by ronald sims (2009). the study examined how abercrombie & fitch responded to a crisis by focusing on redressive actions, otherwise known as reparation strategies. **guide to creating a crisis management playbook** - a few negative comments on your facebook page, just like a few bad comment cards in your suggestion box, does not make for a true crisis. the proper response to these comments is important (you don't want to make it worse) and we will address that later in the guide. marketing guru jay baer outlines three characteristics of a media crisis: **media and community crisis communication planning template** - 2) content: the first pages of a crisis communication plan should clearly outline the steps the company will take in the event of a crisis, who is responsible for taking these steps, and how to contact the crisis communication team. 3) review: the crisis communication plan should be reviewed and approved by **strategic crisis management - marsh & mclennan companies** - 4 strategic crisis management © oecd 2013 note by the oecd secretariat this work was conducted as part of the oecd high-level risk forum, established in 2011 to offer a **crisis management: lessons learnt from the bp deepwater ...** - refined typology of crisis situations and a repertoire of ten crisis-response strategies. the association between the crisis and the response taxonomies led to a new theory called the situational crisis communication theory (scct). the authors classified crisis into thirteen crisis types and grouped them into three clusters. **effective marketing strategies for a recession** - effective marketing strategies for a recession page 5 its marketing budget by 20% (marketing magazine, 7th january 2009)2 and fedex has cut its marketing budgets by more than 25% (reuters, 7th january 2009)3. why are marketers feeling the pinch with decreased spending power when it is such a crucial time to **1 crisis management in political systems: five leadership ...** - 1 crisis management in political systems: five leadership challenges 1.1 crisis management and public leadership crises come in many shapes and forms. conflicts, man-made accidents, and natural disasters chronically shatter the peace and order of societies. the new century has brought an upsurge of international terrorism, but **ireland's economic crisis the good, the bad and the ugly** - ireland's economic crisis the good, the bad and the ugly1 karl whelan university college dublin june 18, 2013 abstract: this paper provides an overview of ireland's macroeconomic performance over the past decade. in addition, to presenting the underlying facts about the boom, bust and (currently limited) **crisis management and communications - unimi** - crisis in organizations ii or coombs' (2006) code red in the boardroom for more information on these four lessons. table 1: crisis preparation best practices 1. have a crisis management plan and update it at least annually. 2. have a designate crisis management team that is properly trained. 3. **crisis communication failures: the bp case study** - the consequences of the crisis are not as bad as have been portrated. the third strategy, called "no comment" relates to refusal to comment. the fourth strategy "apology" is made through a verbal apologetic statement. the fifth strategy labeled ...
